

Preventing the Introduction and Spread of Invasive Weeds

Wednesday, April 8, 2009

1:30 p.m. — 4:00 p.m.

Planning Commission Conference Room
El Dorado County Government Center—Building C
2850 Fairlane Court, Placerville, CA 95667

Join us to learn about:

- Understanding the problem—the biology and impacts of invasive weeds
- Guidelines to preventing the introduction and spread of invasive weeds, especially during site-disturbing projects
- Control and eradication methods and strategies
- Specific invasive weeds to watch for

Who should attend?

- Construction, building and landscaping contractors
- Service providers including fuels reduction and forest health contractors
- Land-use planning professionals
- Landowners and the general public

The cost is \$10 per person. Three ways to register: (1) complete the form and mail with your check to the address below. Or (2) register online with a credit card secure site at <http://ucanr.org/invasive-weeds-workshop>. Or (3) RSVP and register at door. Call or email Nancy at 530-621-5552 or njstarr@ucdavis.edu for questions or additional information. Registration due date - April 3rd, 2009
Registration fee includes handouts and refreshments
